Our classes are slowing down for the summer months. We know you are busy with graduations, weddings and barbecues.

Fine Points would be happy to schedule a class of your choosing. All we need is two or more people.

Let us know what you would like to learn and we can get it organized at your convenience.

Learn to Knit and/or Crochet with Faith Wyse, Sandy; Sue Ann and Sue Ann. There has been such an overwhelming response to this class that we feel it has to offer it every month. Here's a great opportunity to learn or to get together for the same class. If you want to learn from one another, that's fine, too. Beginners welcome. Don't quite remember how to do it? Here is your chance to refresh your skills. Faith is skilled at both and will have you knitting and crocheting in no time. Sue Ann and Sue Ann are fun, creative, colors and textures that gives everything she makes a big "WOW" factor. She will show you how to do this with even the simplest of knitting/ crochet stitches.

Fine Points Too

Once again, we have gotten a shipment of Lee Anderson outfits, complete with jackets. The colors are gorgeous and the styles are forgiving. What more would anyone want for a summer wedding!

We'll be in Columbus, Ohio at the Convention Center for Knitters' Connection. We're in Booth 35/44.
Maybe we'll see you there!

Well, here we go again to TNNA (The National Needlework Association) next week to kiss for fall.

These buyers' markets are held semi-annually; and this is the place where we travel to Columbus, meet most of the vendors we do business with and order for Fall. This is an exciting time for us. As a store owner, I get to see most of what's available, all in one place.

This brings me to my next thought: what would you like to see at Fine Points?

I know the obvious things. You want current, lovely fibers for not a lot of money...

Every year we are presented with tons of choices and must make the decision as to what the store will bring in for you.

Soon, given the above, now we're asking you, our customers.

What brands or products would you like to see more of? What classes would you like us to offer?

Would you support a knit night or a knitters' swap?

What special events might you take advantage of?

We'll be glad to explore any possibility for you. We'll consider any idea that might be plausible.

We leave for Columbus on Friday, June 13, so let us know by that time if you have any ideas or suggestions that you'd like to see on our shelves. You may email us or drop in to leave a chat.

We'll be waiting to hear from you

See you (or hear from you) soon!

Liz
